

nanosun
Solar power to the people!

Welcome to Nanosun

welcome to the good company

www.mynanosun.com

ABOUT US

Bringing solar power to the people – As a worldwide solar distributor, we are making this world a better place for future generations by God's grace.

Nanosun is a leading distributor and wholesaler of photovoltaic solar panels, inverters, under - construction, storage systems. EV chargers, and other photovoltaic components. For over a decade we have offered products that are highly efficient, reliable, and cost-effective.

It is our commitment to provide our clients with optimal technical solutions, quality products, and stability by offering the most competitive pricing on top brands.

We are an official distributor of JA SOLAR, LONGI, TRINA, CANADIAN SOLAR, RISEN SOLAR, SUNGROW, SOLINTEG, HUAWEI, SOFAR SOLAR, BYD and WALLBOX

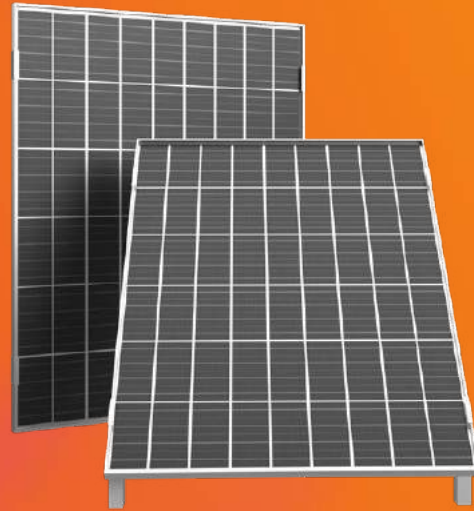

WHO WE ARE

Value Added

We provide quality and fast service, accurate and timely logistics. We provide training, webinars and technical information from our specialists. We will connect you with new customers.

What We Offer

Based on our own years of experience, we offer only quality and proven products that will serve you for a long time.

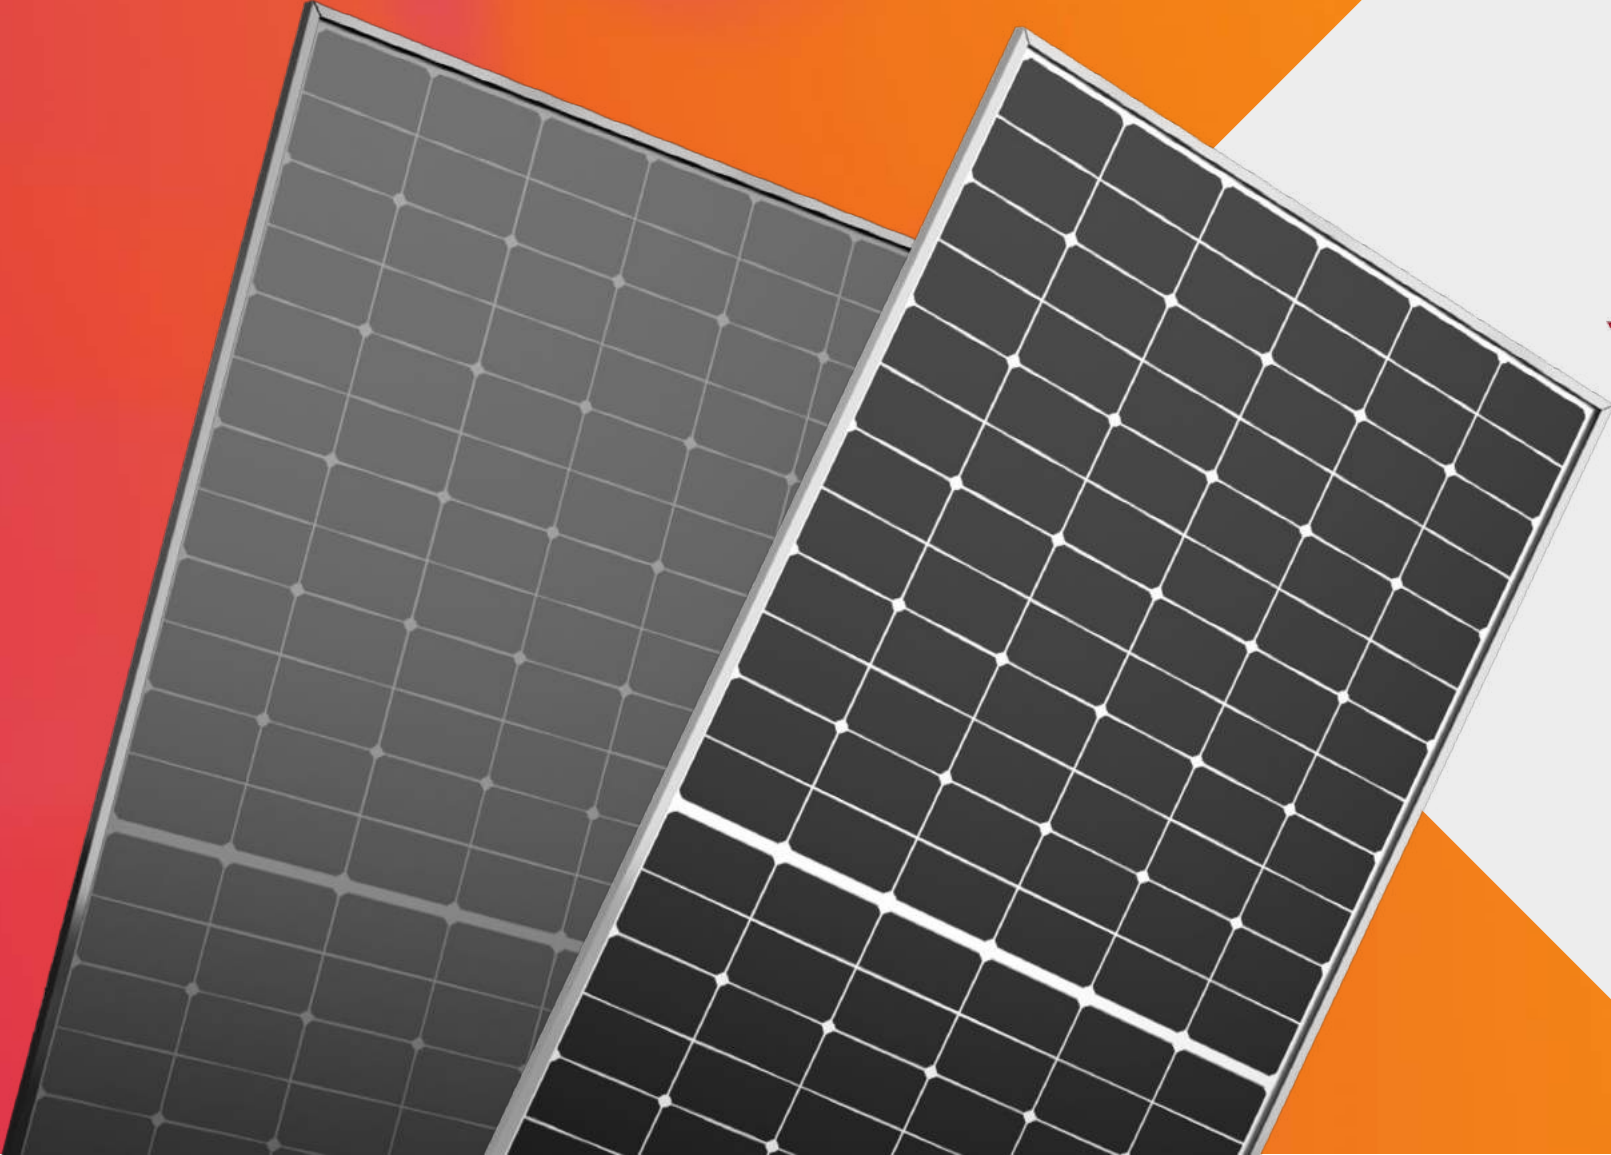

What Makes us Stand Out

We are the foundation on which we build our business and professional relations. You can be sure that business with us will always be conducted correctly and fairly.

OUR FOUNDERS

KAREL PAŘENICA
Founder & CEO

nanosun was founded by Karel in 2013 with more than 15 years of experience in the solar industry that started in Czech Republic in Europe. Aside from his expertise in photovoltaic components and storage systems, he is also a specialist in real estate, green building technologies, project development, and investment consulting. He has established several branches all over the world including Dubai, Jordan, Kyiv, Dresden, London and just recently in New York.

BEATRICE PAŘENICOVÁ
Chief Strategy Officer

Beatrice started her career in 2014 working for one of the official distributors of Apple Technologies. In 2017 she joined Karel in building Nanosun Empire and she is currently the Chief Strategy Officer of the company and oversees the marketing department.
